Shipper's declaration : We hereby declare that the description of the contents, values, gross weights and/or measurements of the packages and/or goods covered by the Dock Receipt are correct. We agree that we will be deemed to have declared that the gross weights and/or measurements ascertained by the Official Measurers, are accurate if we have omitted to state the gross weights and/or measurement in the spaces provided in the appropriate form. Where there is a difference between the gross weights and/or measurements stated by us and those ascertained by the Official Measurers, we agree that we shall be deemed to have declared the latter unless we notify the Official Measurers to the contrary in writing within seven(7) days of vessel's sailing. We acknowledge that in the event of the contents or values which we have declared or of the gross weights or measurements which we have declared or are deemed to have declared, proving to be inaccurate and the freight consequently being under-assessed at the time of issue of the Bill of Lading, the carrying Line will be entitled to require from us, by way of Liquidated damages, before delivery, payment of the difference between the correct and incorrect freight as if the declaration had been accurate, less freight already charged, in line with Line's DT conditions. In the event, however, that freight has been under-assessed due to miscalculation by the Line/Agent, only the amount under-assessed at the time of issue of the Bill of Lading will be payable by us.
